

### Overview

Below are the List of Tables and an excerpt from the *Asian Graphic Paper Annual Historical Data*.

An invaluable reference tool, the *Annual Historical Data* contains over 700 series of historical data researched and developed by RISI. The sources include government, association and RISI estimates. The data are cross-checked, revised and up-to-date, and are presented in units of measure that are comparable across grades and regions.

The *Annual Historical Data* contains 17 years of annual historical data for newsprint and printing and writing papers in 13 countries/regions.
