

Overview

Below are the List of Tables and a sample table from the *Asian Paper Packaging Annual Historical Data*.

An invaluable reference tool, the *Annual Historical Data* contains 750-800 series of historical data researched and developed by RISI. The sources include government, association and RISI estimates. The data are cross-checked, revised and up-to-date, and are presented in units of measure that are comparable across grades and regions.

The *Annual Historical Data* contains 17 years of annual historical data for containerboard, boxboard, packaging and industrial papers in 13 countries/regions.

For additional information, please email us at sales@risiinfo.com.
