

Overview

Below are the Table of Contents, List of Tables and a sample table from the 15-year Asian Graphic Paper Forecast.

The forecast through 2024 is developed in an international framework, with dynamic links to end-use, paper, pulp and fiber markets in other world regions. Each Asian country is analyzed individually.

This report provides a comprehensive assessment of Asian graphic paper markets with forecasts of the macroeconomy, supply, demand, trade, capacity and selected prices for newsprint, printing and writing papers in 12 countries plus total Asia.
