

# PPI TRANSPORT SYMPOSIUM 19

The Premier Event for the Global Forest Products Logistics Industry

October 11-14, 2011

RAI Convention Center

Amsterdam, The Netherlands

[www.transportsymposium.com](http://www.transportsymposium.com)

PPI Transport Symposium is the leading biennial conference and exhibition for the global forest products logistics industry. It is dedicated exclusively to the worldwide transport, materials handling, and distribution of forest products.

## Who attends?

Companies around the world send their top executives to the PPI Transport Symposium and past attendees have included the following types of companies:

- Pulp and paper producers
- Timber and biomass companies
- Logistics providers
- Terminal operators
- Rail operators
- Supply chain technology providers
- Warehousing companies
- Wood products manufacturers
- Port facilities
- Shipping lines
- Freight forwarders
- Material handlers
- Transport policy makers
- Transportation consultants

## Why exhibit?

PPI Transport Symposium 19 is the perfect opportunity to increase your organization's visibility with key decision makers who are involved in every aspect of the forest products logistics industry.

As an exhibitor at PPI Transport Symposium 19, you will be able to:

- Put your products and services in front of qualified buyers with purchasing power
- Reach all of your forest products target audience in one place
- Showcase new products when buyers are most receptive
- Demonstrate your products and services to buyers from around the world
- Maximize your sales and marketing spend
- Meet existing customers and potential buyers face to face
